## Remote Learning for students Grades 1-5 on Nov. 21 and Nov. 22

Due to the water break in the elementary classrooms, students in grades 1-5 will not be able to safely attend school the remainder of this week. Students in these grades each have a packet of work available to be picked up at the school on the morning of November 21st. Students will be required to complete their packet of work and return it to their classroom teacher. These days are remote learning days and will count toward student attendance hours. Students who do not return a completed work packet will be counted absent for these days.

\*\*\*Please note: School WILL be in session for Pre-K, Kindergarten, and students in grades 6-12 on Tuesday Nov. 21 and Wednesday Nov. 22(early dismissal at 1:00pm)

Fall portraits for all students will be sent home tomorrow, November 21st, students in grades 1-5 will receive their fall portraits with their work packets.

We look forward to having all students back in the building on Monday November 27, 2023.

Thank you.
