Santee is located in the beautiful rolling hills of Knox County, Nebraska. Santee was founded in June of 1866 when our ancestors were forcibly removed from our homeland in Minnesota and moved to Crow Creek, SD then moved to present day Santee.

Modern day Santee has grown as a community with a state of the art health clinic, a casino, fire hall, swimming pool, youth centers, justice center, grocery store, C-store, police station, Head Start, PK-12 Isanti Community School and a building for The Nebraska Indian Community College Santee campus. Housing continues to be constructed as well. Santee continues to thrive and grow as a community.
