2ND GRADE NEWS

OCTOBER 2018

TEACHER'S CORNER

Second grade has been cruising along being busy learners and hard workers!

This week we will begin a tougher math concept - borrowing. But we can do it! We were able to take a field trip to Poppy's Pumpkin Patch and the kids had a great time on the zip line and slides! Have a great week and enjoy the beautiful weather!

2018 SANTEE HIGH SCHOOL FOOTBALL SUMMARY

ON BEHALF OF THE COACHING STAFF (MR. KEN HAJEK AND MR. JEREMY PETER), WE WOULD LIKE TO THANK THE SCHOOL COMMUNITY FOR THEIR SUPPORT THROUGHOUT THE FOOTBALL SEASON. THE YOUNG MEN REALLY APPRECIATED THE ATTENDANCE AT THE HOME GAMES. WE MET THE THREE GOALS FOR THIS SEASON: 1) THE ATHLETES WILL HAVE FUN, 2) THE ATHLETES WILL LEARN HOW TO COMPETE IN ALL EIGHT GAMES, AND 3) THE ATHLETES WILL LEARN MORE ABOUT THE SPORT IN WHICH THEY ARE PARTICIPATING WITH EXCELLENT SPORTSMANSHIP. **THE HIGHLIGHT OF THE FOOTBALL SEASON WAS A HOMECOMING VICTORY OVER ELBA.**

Music Notes

Anpetu waste, friends and family! Your musicians are building our tone and literacy as we prepare pieces for the December concert. I am proud of the practice efforts of these choir and band ensembles! Several young musicians are taking extra time out of the day to practice small group and solo pieces: look forward to seeing fourth-grade singers Neveyah Brown, Starr-Lyn Makes Room For Them, Nathaya Sutta, Aubrinee Tuttle, and Alexiah Whipple singing pieces by Wabaan and Fawn Wood, as well as a debut duet by Shelby Johnson and Josephine Whipple, and a solo piano piece performed by Lluvia Kitto. Also, thank you to all students who participated in the Warrior Choir and Pep Band throughout the football and volleyball seasons! There is a picture below of one of our choirs. Leila Wabasha and Tavie Phillips shined as our football pep band. We will continue Warrior Choir and Warrior Pep Band during basketball season this winter.

Upcoming Events

NVC Choral Clinic: Monday, November 5, 5:30pm, in Stuart

A small group of musicians will be traveling to Stuart to sing with the massive Niobrara Valley Conference combined choir on Monday, November 5. The concert is at 5:30pm in the Stuart High School gym. It is free, and friends and family are welcome to attend!

PreK-12 Music Concert: December 10, 6:00pm, Multipurpose Room

All K-12 students have prepared music for the end-of-the-semester concert, and are required to attend the entire show. Please join us for an evening of vocal, instrumental, and electronic musical performance! Dinner is at 5:00pm and the show starts at 6:00pm. K-12 students must be in the Multipurpose Room by 5:45pm if they do not come for dinner. The Early Learning Academy (3- and 4-year-old classrooms) will kick off the concert with a song that they have learned with their teachers, so if they are able to attend, that would be wonderful! I hope to see you all there!

Thank you for all that you do to support our school music program!

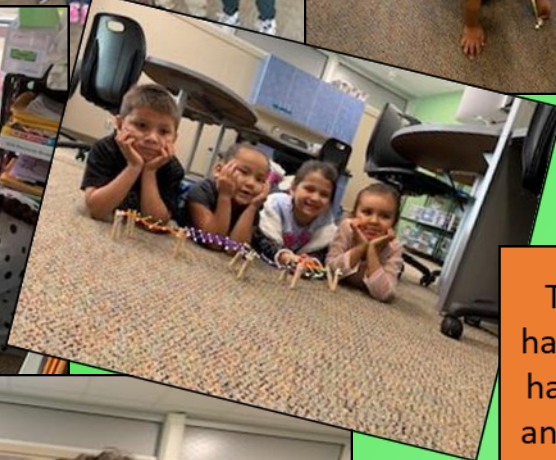

Pidamiyaye,

Miss Knight

LOOK WHAT'S BREWING IN THE STEM LAB

The K-3rd grade students have been having a blast in STEM this month! We have been busy constructing anything and everything Halloween from Spider Webs, Pumpkin Catapults, Haunted Houses to Bat Straw Rockets!

One of my favorite activities was building fences for the 5 Little Pumpkins after we read the book "Pete the Cat- Five Little Pumpkins."

The Kindergarten class had a lot of fun being scientists and learning through observation! They observed and studied apples and then got to eat them..yum!

Another favorite was building spider webs and seeing how much weight they could hold.

The bone bridges were a lot of fun because they learned how to measure their bridges using a measuring tape.

Santee Community School & Santee Sioux Nation Truancy Diversion Project

Notes from the Truancy Officer

Oh what a great October we just had, Native American Day, Mr. Dean Jacobs presentations, Domestic Violence presentations on Teen Dating Violence, Football and Volleyball season ending, Truancy Diversion, Red Ribbon Week, and Halloween.

As Truancy Officer I am so very proud to announce that 5 students Kindergarten through 12th Grade had PERFECT Attendance for the 1st quarter of the 2018/2019 School year and 57 students had STELLAR attendance the 1st quarter as well. Perfect attendance is absolutely perfect attendance, no tardies, no absences for any reason, and STELLAR attendance is for students who have missed 2 or less days of school in the First quarter for various reasons too numerous to name.

As a reminder to all Parents, 2nd quarter has already started and will end on December 21st, 2018. I am checking attendance on a daily basis, and it is ONLY in your child's best interest to be in school on time everyday that school is in session. So please keep up the good work. I am hoping we can Double or even Triple our numbers for second quarter and/or Semester.

I will have 2 days of Truancy Diversion in November 2018. Please check your mail to see if you received a letter from me. I hope if I request your attendance to a **Truancy Diversion Meeting** you attend and discuss any issues related to school and truancy with me. I am a great resource and work diligently with you to help combat truancy issues you and your child may be facing.

Thank you for your time and consideration. Please have a great and bountiful November, and also please remember that November is "Giving Thanks" month, and to be thankful for all that you have, your family, and never forget to give to those in need. Thank you once again..... Until next time.

Parents, please know that in an effort to keep you informed, our school's intervention team will be sending out your student's referral notices in letter form. A referral is a behavior occurrence in the classroom which is documented in our SWIS reporting system. The notices will be sent out at three and five occurrences from this point forward. This is in a better effort to communicate with parents regarding their student.

Thanks,

Mr.Hoffman
